Product Description

Interior Decoration Environmentally Friendly PVC Moulding Board WPC Grating Panel

Eco-Friendly PVC Molding Sheet WPC Grating Sheet showcases a sophisticated fusion of PVC and WPC grilling resulting in a visually striking and unique design. The combination of materials adds depth and character to the walls, enhancing the overall aesthetic of the space. Modeling panels are made from environmentally friendly PVC material, making them a sustainable choice for interior design. By choosing this board, you can contribute to reducing your environmental impact while enjoying its superior performance. WPC grill elements ensure excellent durability and resilience. The combination of wood and plastic creates a strong and durable product suitable for a variety of interior applications. Its versatile design can be used in a variety of applications, from wall moldings to decorative partitions, adding a touch of elegance and sophistication to interior spaces. The combination of eco-friendly materials enhances the interior ambience and resonates with sustainable living principles. Eco-friendly PVC formwork WPC grating panels are designed for easy installation, saving time and effort. Its low-maintenance surface ensures hassle-free cleaning and stress-free enjoyment of your space.

Specification

Item	Value
Material	WPC Wall Panel
Size	1220*2440/2600/2800/3000*5/8mm
Length	Customer's Demand
After-sale Service	Online technical support

Advantages

Easy Installation, Environmental Protection, Flexible, Bendable, High Density, foldable, Fireproof + waterproof + Moisture-proof + anti-scratch + Sound-Absorbing, Mould-Proof, Lightweight, Clear textures, Variety of colours, etc.

Applications

Hotel/Villa/Apartment/Office Building/Bathroom/Dining/Living Room/Shopping Mall, etc.

Shanghai Zhuokang Wood Industry Co., Ltd. is a professional enterprise integrating research and development, production and sales. Through long-term research and experiments, we have successfully improved the parameters of the product, making our products more durable, waterproof, moisture-proof, flame retardant and environmental protection. Looking forward to the future, we will redouble our efforts to hone our internal skills, and return our customers and society with more mature technology, high-quality environmental protection products and excellent intimate service. If you need, please feel free to contact us!
