

## Metal Wood Veneer Solid Waterproof Flame Retardant Decorative PVC Wall Panels

Our Product Introduction

for more products please visit us on [specialmaterialparts.com](http://specialmaterialparts.com)

### Basic Information

- Place of Origin: China
- Brand Name: ZhuoKang
- Certification: ISO9001
- Model Number: 1220\*2440\*5mm/8mm
- Minimum Order Quantity: Negotiate
- Price: Negotiate
- Packaging Details: Pallet +Carton Packaging
- Delivery Time: 5-8 work days
- Payment Terms: L/C, T/T
- Supply Ability: 6000 meter per day

### Product Specification

- Material: Bamboo Charcoal ,Bamboo Wood Fiber
- Color: Customized
- Package: Carton Packaging +Pallet
- Samples: Free/Customized
- Size: Various And Custom
- Thickness: 5/8mm
- Advantage: Easy Installation,Environmental Protection, Flexible Bendable
- Fire Rating: B

## Product Description

### Metal wood veneer solid waterproof flame retardant decorative PVC wall panels

Metal Wood Veneer Solid Waterproof Flame Retardant Decorative PVC Wall Panel Incorporating metal, wood veneer, strong construction, waterproof and flame retardant properties into decorative PVC wall panels represents a bold step in redefining interior spaces. The fusion of PVC simulated metal and wood finishes in the panels creates a fascinating juxtaposition. Metal brings modernity and style, while wood finishes bring warmth and authenticity. This harmonious fusion bridges the gap between modern and classic design, allowing panels to resonate with different aesthetic preferences. Their sturdiness not only provides longevity, but also a premium feel. Panels are no longer just decorative elements; they become an integral part of the surrounding architecture. The integration of waterproof and flame-retardant features adds an additional layer of functionality, enhancing the suitability of the panels for various environments. Whether in a bathroom or a commercial space, these panels ensure durability and safety without compromising aesthetics.

#### Specification

Item	Value
Material	Bamboo Charcoal Wall Panel
Size	1220*2440/2600/2800/3000*5/8mm
Length	Customer's Demand
After-sale Service	Online technical support

#### Advantages

Easy Installation, Environmental Protection, Flexible, Bendable, High Density, foldable. Fireproof + waterproof + Moisture-proof + anti-scratch + Sound-Absorbing, Mould-Proof. Lightweight. Clear textures, Variety of colours, etc.

#### Applications

Hotel/Villa/Apartment/Office Building/Bathroom/Dining/Living Room/Shopping Mall, etc.
