## Applications:

ZhuoKang bamboo charcoal wood veneer - the perfect choice for natural and sustainable wooden decorative panels

Are you looking for a unique and eco-friendly way to decorate your home or office space? Look no further than ZhuoKang bamboo charcoal wood veneer. This high-quality wall panel is made from natural bamboo and infused with activated charcoal, making it not only beautiful but also environmentally friendly.

Brand Name: ZhuoKang

ZhuoKang is a leading manufacturer of bamboo charcoal wood veneer in China. With our dedication to quality and sustainability, you can trust that our products are the best in the market.

Model Number: bamboo charcoal wood veneer

Our bamboo charcoal wood veneer is available in various models to suit your specific needs. Whether you need a standard size or a customized length, we have got you covered.

Place of Origin: China

All our bamboo charcoal wood veneer is proudly made in China, using sustainable and locally sourced materials. With our strict quality control measures, you can be assured that you are getting a product of the highest standard.

Length: 2.44/ 2.6/ 2.8/ 3/ 3.2/ 3.4/ 3.6 M Or Customized

Our bamboo charcoal wood veneer is available in standard lengths ranging from 2.44m to 3.6m. However, we also offer customized lengths to fit your specific project requirements.

Type: Wall Panel

ZhuoKang bamboo charcoal wood veneer is designed specifically for wall paneling. It adds a unique and natural touch to any space, making it the perfect choice for both residential and commercial use.

Fire Rating: Level B

We understand the importance of safety, which is why our bamboo charcoal wood veneer has a fire rating of Level B. This makes it suitable for use in public areas and commercial buildings.

Feature: Waterproof, eco-friendly

Our bamboo charcoal wood veneer is not only aesthetically pleasing but also practical. It is waterproof, making it suitable for use in bathrooms and kitchens. Additionally, it is eco-friendly, as it is made from sustainable bamboo and does not emit harmful chemicals.

Packing: Pallet+Carton Packaging

To ensure that our products reach you in perfect condition, we use a combination of pallet and carton packaging. This ensures that the bamboo charcoal wood veneer is protected during transit and arrives at your doorstep in pristine condition.

In conclusion, ZhuoKang bamboo charcoal wood veneer is the perfect choice for anyone looking for a natural and sustainable option for wooden decorative panels. With its unique features, high quality, and eco-friendliness, it is sure to elevate the look of any space. Place your order today and experience the beauty and benefits of bamboo charcoal wood veneer for yourself!

## Customization:

ZhuoKang Bamboo Charcoal Wood Veneer Customization Service

Brand Name: ZhuoKang

Model Number: Bamboo Charcoal Wood Veneer

Place of Origin: China
