

## Bamboo Charcoal Thermoplastics WPC Wood Slat Panel 1220\*2440\*5mm

Our Product Introduction

for more products please visit us on specialmaterialparts.com

### Basic Information

- Place of Origin: China
- Brand Name: ZhuoKang
- Certification: ISO9001
- Model Number: Customized
- Minimum Order Quantity: Negotiate
- Price: Negotiate
- Packaging Details: Pallet +Carton Packaging
- Delivery Time: 5-8 work days
- Payment Terms: L/C, T/T
- Supply Ability: 6000 meter per day

  

### Product Specification

- Material: Wood Plastic Composite
- Application: Office,Indoor,Interior Walls & Ceilings
- Size: Customized
- Product Name: WPC Fluted Wall Panel
- Feature: Waterproof,Fireproof,Environmental
- Function: Waterproof,Moisture-Proof,Fireproof
- Package: Pallet+carton Packaging
- Color: Customized
- Highlight: **wpc wood slat panel 1220\*2440\*5mm ,  
Bamboo Charcoal thermoplastics wpc wood  
slat panel  
, wpc slat panel 1220\*2440\*5mm**

## Product Description

### Factory direct sales of waterproof and moisture-proof wood-plastic Great Wall wall panels

WPC Wall Panels are highly water and moisture resistant, and the wood plastic composite used in their construction provides these panels with enhanced water resistance, making them suitable for use in areas of high humidity or potential water exposure. Wood-plastic composites are mixtures of wood fibers or granules and thermoplastics. This combination creates a material that mimics the look of wood while being more durable, weather and moisture resistant than natural wood. Wall panels can be used in a variety of interior spaces, including residential and commercial settings. Their waterproof and moisture-resistant properties make them ideal for bathrooms, kitchens, basements, and other areas where traditional wood or non-waterproof panels may not be as effective. Like other wood-plastic composite products, these wall panels typically require very little maintenance. They clean easily with mild soap and water and don't require regular painting or sealing.

#### Specification

Item	Value
Material	WPC Wall Panel
Size	1220*2440/2600/2800/3000*5/8mm
Length	Customer's Demand
After-sale Service	Online technical support

#### Advantages

Easy Installation, Environmental Protection, Flexible, Bendable, High Density, foldable, Fireproof + waterproof + Moisture-proof + anti-scratch + Sound-Absorbing, Mould-Proof, Lightweight, Clear textures, Variety of colours, etc.

#### Applications

Hotel/Villa/Apartment/Office Building/Bathroom/Dining/Living Room/Shopping Mall, etc.

Shanghai Zhukang Wood Industry Co., Ltd. has 26 international advanced level production lines and dozens of skilled production and research personnel. The company's main products are: (bamboo charcoal/bamboo) wood veneer panels, ecological wood grille panels, Great Wall panels, relief panels, U-shaped ceiling, square, wood sound-absorbing panels, solid wood grille and supporting production line production and sales.
