

Environmentally Friendly Moisture proof Curved WPC Wood Panel 15mm Wall Panel

Our Product Introduction

for more products please visit us on specialmaterialparts.com

Basic Information

- Place of Origin: China
- Brand Name: zhuokang
- Certification: ISO9001
- Model Number: customizable
- Minimum Order Quantity: Negotiate
- Price: Contact us
- Packaging Details: Pallet+Carton Packaging
- Delivery Time: 5-8 work days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 6000 meter per day

Product Specification

- Material: Wood-plastic Composite Environmental Material
- Feature: Waterproof And Fireproof Moisture-proof
- Color: Customer Require
- Size: Customized Sizes Support
- Style: Modern Luxury
- Thickness: 15mm
- Product Name: WPC Wall Panel
- Certificate: ISO9001
- Highlight: **Curved WPC Wood Panel,
WPC curved panels 15mm,
Moisture Proof WPC curved panels**

Product Description

Environmentally Friendly Moisture proof Curved WPC Wood Panel 15mm Wall Panel

WPC curved panels are a combination of sustainable development and innovation. The wall panels are made from eco-friendly wood and plastic, ensuring a responsible and sustainable product. Eco-friendly means that the manufacturing process of the wall panels and the materials used in the construction are environmentally friendly, and by choosing these panels you can contribute to reducing the negative impact on the environment. The unique curved panel design adds a touch of elegance and sophistication to the wall. Curves create dynamic visual elements that enhance the overall aesthetics of interior spaces. Wall panels are made of wood plastic composite (WPC). Such composites typically combine recycled wood fibers or pellets with recycled or virgin thermoplastics such as polyethylene or polypropylene. By using recycled materials, the panel reduces its environmental impact and helps minimize waste.

Specification

Item	Value
Material	WPC Wall Panel
Size	1220*2440/2600/2800/3000*5/8mm
Length	Customer's Demand
After-sale Service	Online technical support

Advantages

Easy Installation, Environmental Protection, Flexible, Bendable, High Density, foldable, Fireproof + waterproof + Moisture-proof + anti-scratch + Sound-Absorbing, Mould-Proof, Lightweight, Clear textures, Variety of colours, etc.

Applications

Hotel/Villa/Apartment/Office Building/Bathroom/Dining/Living Room/Shopping Mall, etc.

Shanghai Zhuokang Wood Industry Co., Ltd. is a professional enterprise integrating research and development, production and sales. Through long-term research and experiments, we have successfully improved the parameters of the product, making our products more durable, waterproof, moisture-proof, flame retardant and environmental protection. Looking forward to the future, we will redouble our efforts to hone our internal skills, and return our customers and society with more mature technology, high-quality environmental protection products and excellent intimate service. If you need, please feel free to contact us!
