

Interior Decoration Waterproof Soundproof Simulation Metal Wood Veneer Wall Panels

Our Product Introduction

for more products please visit us on specialmaterialparts.com

Basic Information

- Place of Origin: China
- Brand Name: ZhuoKang
- Certification: ISO9001
- Model Number: 1220*2440*5mm/8mm
- Minimum Order Quantity: Negotiate
- Price: Negotiate
- Packaging Details: Pallet +Carton Packaging
- Delivery Time: 5-8 work days
- Payment Terms: L/C, T/T
- Supply Ability: 6000 meter per day

Product Specification

- Material: Bamboo Charcoal ,Bamboo Wood Fiber
- Color: Customized
- Package: Carton Packaging +Pallet
- Samples: Free/Customized
- Size: Various And Custom
- Thickness: 5/8mm
- Advantage: Easy Installation,Environmental Protection, Flexible Bendable
- Fire Rating: B
- Highlight: **Bamboo Charcoal modern wood veneer paneling**
, modern wood veneer paneling 5mm ,
Bamboo Charcoal wood veneer panel

Product Description

Interior Decoration Waterproof Soundproof Simulation Metal Wood Veneer Wall Panels

The appeal of faux metal wood veneer wall panels lies in the seamless integration of two different materials, PVC metal film and wood. Metal finishes bring an industrial feel, evoking a sense of modernity and sophistication, while wood finishes offer a warm, natural appeal, creating a cozy and inviting ambiance. This combination of contrasting elements creates a harmonious balance that suits a variety of interior styles, from modern to rustic. Advanced manufacturing techniques reproduce woodgrain patterns and metal textures with astonishing precision, adding depth and character to walls. The result is a visually striking feature that becomes the focal point of any room. The integration of advanced waterproofing technology ensures that these panels can withstand moisture and humidity, making them ideal for areas such as bathrooms, kitchens and even poolside walls. This inherent water resistance not only protects the panels from damage, but also helps maintain their pristine appearance for years to come.

Specification

Item	Value
Material	Bamboo Charcoal Wall Panel
Size	1220*2440/2600/2800/3000*5/8mm
Length	Customer's Demand
After-sale Service	Online technical support

Advantages

Easy Installation, Environmental Protection, Flexible, Bendable, High Density, foldable. Fireproof + waterproof + Moisture-proof + anti-scratch + Sound-Absorbing, Mould-Proof. Lightweight. Clear textures, Variety of colours, etc.

Applications

Hotel/Villa/Apartment/Office Building/Bathroom/Dining/Living Room/Shopping Mall, etc.

Shanghai Zhuokang Wood Industry Co., Ltd. is a professional enterprise integrating research and development, production and sales.
