Product Description

Luxury Decorative Wooden Acoustic Slats Interior Wall Panel Acoustic Wall Panel

Acoustic wall panels enhance the acoustics of an interior space while adding elegance to the walls. Whether residential, commercial or public, acoustic panels are designed to create a more comfortable and enjoyable environment for everyone. Acoustic wall panels are designed with high-quality sound-absorbing materials. They effectively reduce echo, reverberation, and unwanted noise, creating a quieter, more enjoyable space. Improved sound quality ensures better speech clarity for easier conversation and communication. The versatile design of the wall panels allows for various configurations and customizations, making them suitable for a variety of interior design styles and settings. Acoustic wall panels are also aesthetically pleasing. Choose from a range of colours, textures and patterns to complement existing decor or create a unique focal point.

Specification

Item	Value
Material	mdf
Size	2400*600*22mm(customizable)
Length	Customer's Demand
